From the *New York Times*' bestselling author of *The Beach House* comes an enchanting new novel that is sure to deliver the wit, charm and heart for which Jane Green is so wildly adored. *Dune Road*, another fun and fearless adventure, is set in a beach community in Connecticut, where our heroine is a single mother who works for a famous — and famously reclusive — novelist. When she stumbles upon a secret that he has kept hidden for years, she knows there are plenty of women in town who would love to discover why he keeps to himself.

The Washington Post has called her work “smart and complex,” and *Entertainment Weekly* says “Green’s many fans will revel in her interwoven plots.” Jane has written nine novels, and in 2007 won a Cosmopolitan Fun Fearless Fiction Award.
