

## Student Leadership: Middle School

Dear Applicant,

In order to provide opportunities for student leadership and spiritual growth, we want to give students an avenue for responsibility and ownership through serving on the student leadership team. Student Leaders are a vital part of the ministry here at St. Andrew. Because of the work they do, and the people they work with are so important to us, we desire to have a team committed to character, competency, and faith. If you have taken this packet, you have indicated a desire to be a part of the student leadership team in this important ministry. Please take the time to fill out this application completely. Everyone who desires to join the student leadership team is required to fill out this application.

Before you move on, here are some examples of what you would be signing up for!

- General Leadership by living a life that is a Christian example to your peers and others.
- Commitment to regular attendance to Middle School Programs
- Planning, organizing and executing 412 Plus (about once a month).
- Attendance at mandatory Leadership Team Meetings.

Thank you for desiring to serve in the middle school student ministry!

-Melissa Adams  
Middle School Coordinator
